## <u>Tuarascáil an Rúnaí – 2014.</u>

The year 2014 was in every way an eventful year for the GAA in this county. We had the high of a dramatic All Ireland senior semi-final draw with Kerry and inside a week the low of a defeat in the replay and all that has happened since then. We retained our Minor C All Ireland Hurling title our senior and minor Connacht football titles I hope to cover all aspects of Mayo County Board in this report. This convention will see many changes in our elected officers and I thank all outgoing candidates for all their service to this county over the past number of years. Our chairman Paddy McNicholas leaves office after four glorious years at the helm of Mayo GAA and having worked closely with him in various committees I know that his dedication and service has been unfailing and that Mayo was at all times number one for him. I wish him well.

At the outset I would like to thank my own family for their support and patience throughout the year.

### FBD

Mayo started their 2014 campaign two days after returning from their team holiday with a home game in MacHale Park on Friday night with a good win over NUIG and faced Sligo IT two days later at the COE and were lucky to come away with a draw. These two results left us needing a win in our final group game against Roscommon to secure a place in the final. However after a good start we were eventually beaten and did not make the final. Nevertheless many new players got a chance to stake a claim on the senior panel for the National League and some took full advantage.

### **Allianz League**

February 2<sup>nd</sup> saw us open our 2014 National League with an away trip to face Kildare in Newbridge. This was the first real test for the new Black Card rule. A huge Mayo contingent travelled and got great value as this was a rip roaring contest. We started brightly but conceded 1-04 before half time and went in trailing by four points at the break. This rose to six early in the second half but two well taken goals by Jason Gibbons and Darren Coen brought us right back and Kevin McLoughlin scored a free to level the game in injury time and at that stage both sides would have settled for a draw, but Kildare swept up the field and scored a wonder point to win the match and deny us a share of the spoils.

Round 2 a week later and we were on the road again, this time to Omagh to face Tyrone. A bright start saw us create a few goal chances but having failed to convert any of these chances we were eventually beaten by six points 2-15 to 0-15 and a seven point tally by wing forward Adam Gallagher was very encouraging in a day where more injuries were picked up. A two week breaks before our first home game where Kerry was the opposition. Like Mayo Kerry had lost their opening two games and so this added a little more urgency to this fixture as it was a must win game for both counties. Mayo were quick out of the blocks and had a goal scored after only a few seconds. This along with another goal just before half time was enough to see us through on a score line of Mayo 2-15 Kerry 1-13. Alan Freeman giving a man of the match performance.

This was the first time our newly installed automatic counting system at the turnstiles was activated, and a crowd of close to ten thousand watched Mayo record their first Allianz League win of the season. It was also the first day of cashless turnstiles and there were a few teething problems mainly the queue that developed at the ticket selling booths, which left some patrons not entering the ground until the game was well on.

Round four and Mayo were on the road again. This time to face Westmeath in Mullingar. Buoyed on by the victory over Kerry in the previous round Mayo totally dominated the opening ten minutes. They had opened up a nine point lead midway through the first half thanks to goals by lee Keegan and Mikey Sweeney but amazingly by half time Westmeath had clawed their way back and Mayo were a point down. A much more consistent second half saw us prevail by five points 2-17 to 3-09 despite conceding a late goal. Overall a sloppy performance but the points were secured which was the priority and this game also saw the introduction of Cillian O Connor as a second half substitute, his first game since the All Ireland final 2013.

After a poor start in round five against Cork in Castlebar, Mayo then turned on the style and were ahead at half time. The again picked up the momentum in the second half and had built up a substantial lead as the game swing for home. Mayo after a number of changes late in the game lost their way somewhat but still hung on for a 4-12 to 2-14 score line.

Next up was a visit to Croke Park to face Dublin in a repeat of the All Ireland final on Sat March 29<sup>th</sup>. Both teams were on six points coming into this game and both needed to win. This was a rip roaring game played at a fantastic pace all through. Dublin lost their goalkeeper Stephen Cluxton in the first half with a red card and this upset them. Mayo capitalised and had built up a six point lead with time running out, but a late rally by the Dubs saw them strike for two late goals to draw level and nearly snatched victory at the death with an effort that just sailed narrowly wide. If Mayo were to have lost this one it would be a whammy because for long periods we were dominant but like in the Cork game we faded badly at the end and hung on for a draw Mayo 2-17 Dublin 3-14.

The final round was a home fixture v Derry. The visitors who had already qualified fielded a weakened side and in a game that never came to life Mayo won 2-12 to 1-07. Mayo needed to win this game to make a semi-final place and the result gave us that spot only to face Derry again a week later in the Semi-Final in Croke Park.

Mayo always struggled in this game and could never get their rhythm going and despite having a numerical advantage for 50 minutes as Derry had a man sent off we could never stamp our authority. We were beaten by two points in the end on a score line of Derry 2-15 Mayo 1-16. It was a very disappointing end to what had been a great league for Mayo. We were the team that scored the most in Division 1 having a total of 14-107 (149 points) after the seven rounds.

### Championship

Mayo started the 2014 campaign with a trip to New York. As always this is a tricky fixture as the main aim is to get there and back secure the victory and not pick up any injuries. All of these were achieved and the victory was never in doubt. Mayo won by 4-18 to 0-08. This game saw the two O'Connor brothers start Diarmuid making his debut to join Cillian in the forward division. It also saw the three O'Shea brothers finish as younger brother Conor made his debut by coming on in the second half to join his two older brothers Seamus and Aiden. This is a rare sight in these times and the family must be congratulated. They have a record that was last held by the Mortimer brothers in the recent past.

Thunder, lightning and hailstones greeted the arrival of the Mayo team and supporters for the Connacht semi final in Dr. Hyde Park Roscommon on June 8<sup>th</sup>. Our hurlers secured a Connacht Intermediate final victory in the curtain raiser. They had to carve out a hard earned victory over Roscommon in a tight match which ended in a downpour but congratulations to our hurlers on this fine win.

What was to follow was another tense tight affair. Mayo were expecting a battle and this sure was one .Four points to three in Mayo's favour at half time in a dour hard fought contest. Half way through the second half Roscommon scored a goal and with ten minutes left Mayo were three points down playing against the wind and away from home .Mayo dug deep and the introduction of Andy Moran Alan Dillon , Miki Sweeney and Ritchie Feeney steadied the ship. Mayo scored the next five points two huge scores from Andy as well as two difficult frees from Kevin McLoughlin and Cillian and Seamus O Shea added further points, put us two up and Roscommon closed it to one and Mayo hearts were in their mouths as a last gasp effort from the home side was foiled and Colm Boyle came away with the ball and Mayo had survived. Mayo 0-13 Roscommon 1-09 and Mayo had showed great heart and courage to reach the Connacht Final.

Connacht Final day in MacHale Park on July 13 was another huge occasion and for the second year running we had our two teams playing on home soil in both the minor and senior deciders .From early morning there was a great buzz around the ground as the many cogs of the huge wheel of staging and playing the Connacht finals clicked into place. Thanks to the many volunteers who make the staging of this event so easy. The stewards, event controller, the safety officer work alongside the gate men the Gardai the Order of Malta and the Ambulance crews the Car Park attendants ,programme sellers and the doctor on duty to ensure that the crowd enter and leave the Stadium in safety and while there they enjoy the comforts of MacHale Park.

A beautiful day and a Mayo v Galway Senior Final was always going to bring a massive crowd and by 2pm MacHale Park was practically full to capacity. A great minor team performance got the day off to a great start. Mayo minors put in a good solid first half and led at half time. Despite the fact that Roscommon took the lead in the second period 14 points to 1-10 Mayo completely dominated the closing stages and finished 2-16 to 14 points. In the Senior Final Mayo were going for four in a row in Connacht this had not been achieved since 1951 and Galway were never going to make it easy. Galway got the first point but from there to the finish Mayo were ahead and thanks to a first half goal by Lee Keegan the half time score was Mayo 1-9 to 0-5. Mayo pushed on after the interval and further goals by Jason Doherty and Barry Moran along with massive performances by man of the match Cillian O Connor and Aidan O Shea and Kevin McLoughlin helped to keep well clear of the Galway challenge. Good solid displays by our midfielders a great penalty save by Robbie Hennelly and tight marking defenders left the full time score at Mayo 3-14 Galway 0-16.We had achieved the double double in Connacht with Minor and Senior wins back to back. A great since of personal satisfaction for team manager James Horan having won eleven straight wins in the Provincial Championship since taking over as senior manager. Mayo had overtaken Galway in the Connacht Senior Roll Of Honour and what a proud day for the Ballaghaderreen Club to see their Clubman Jim Flemming as President Of Mayo County Board on a day when both of the winning Mayo teams were captained by Ballaghaderreen players. Cian Hanley captained the Minors to success while Andy Moran led the Seniors to their four in a row. The Club had also two other starters on the Minor team Seamus Cuniffe and Sharoize Akram while David Drake was part of the senior panel.

The All Ireland quarter finals took place on the first Sunday in August. We were lucky because both our Minors and Seniors were playing in Croke Park on the same day. Our minors opened the day well for the county and had a very comfortable victory over Armagh in the opening game at 12 noon.

The senior game v Cork was always going to be a close tough encounter. Despite the fact that Cork had not played well against Kerry in the Munster final we knew that things would be different in Croke Park. A poor enough first half which was tight and tense saw us go in at the break on level terms at eight points each. A great third quarter by mayo saw us go into a seven point lead. This was quickly cancelled out as Cork scored 1-4 without reply as the game entered the home straight. Everything was asked of Mayo at this stage and in fairness they rallied again and a Cillian free followed by a goal from Aiden O Shea put four between us again. A nerve tingling finish was in store as Cork hit back with a second goal to pile the pressure back again on Mayo but points by Donie Vaughan and lee Keegan put three between us again . Cork did convert two more frees but we just clung on for a one point lead 1-19 to 2-15. We had reached another semi final on a day that Mayo were tested physically, mentally and psychologically and passed all three tests in a tough hard game. Overall a great days work as we won two out of two and marched both teams in the All Ireland Semi final.

The All Ireland semi final was a huge day for the county with both teams up against Kerry. Many Mayo supporters travelled early and got right behind our minors. Unfortunately the minors came up against a quality Kerry side and came up short. The senior game was most unusual in so far as Mayo were sluggish in the opening period and found themselves four points adrift coming up to half time. Further misery was inflicted on us with the dismissal of one of our players and went in at the break with a huge mountain to climb in the second half. A massive second half team display was to follow, where a five point deficit was turned into a five point lead. However the energy and effort put in by the fourteen men lead to them surrendering that lead and clinging on for a hard earned draw at 1-16 each which was richly deserved. The hearts and minds of the players management and supporters was still racing when the replay details were announced, and to everybody's amazement Limerick at 5 pm the following Saturday was the time and venue.

Two items dominated during that week. Firstly the venue and why for the first time since 1983 had we an All Ireland senior semi final outside of Croke Park. We made our feelings known but the reply was as we expected and we all know that you can not object to a venue or a score and so we moved on from that topic. The second issue was the Lee Kegan affair. The senior team management had asked the Board to seek a hearing and not accept the proposed penalty which had been handed down i.e. a one match ban. We prepared our case and headed for Croke Park. The outcome was successful and Lee was free to play in the replay on Saturday.

The replay was a great occasion and many supporters left the county early that morning to avoid the traffic and arrived in Limerick where long before match time the Ennis Road was crowded with Mayo fans and the colour was magnificent. The Gaelic Grounds were packed and a great tension engulfed the venue.

The game was a battle in every sense of the word. Kerry had increased their physical approach hugely since the first match and this surprised Mayo. However against the run of play we hit them for a few goals and were giving as much as we were getting. Several items went against us on the day but the accidental clash of two of our key players namely Aidan O Shea and Cillian O Connor resulting in both needing stitches and clearly affecting their performances from there on.

Despite all the setbacks we hung on and were level when we got a last chance to win when we were given a free. This was not a simple kick as it was on the sideline more than fifty meters out and facing a breeze and a massive effort from Robbie Hennelly fell inches short and the game went to extra time. Ten minutes to get the show on the road again but it was difficult to get fifteen fit bodies ready after such a bruising battle. We started extra time well and raced into a two point lead but were reeled in by half time and gave everything we had before eventually going down in a heartbreaking fashion by three points on a score line of Kerry 3-16 Mayo 3-13. This was a devastating defeat and compares to the two All Ireland losses. The dressing room as you would expect was a sombre place and this was reflected among the Mayo supporters and throughout the whole county. The players and management had put in a huge effort all year to reach another final and I have never felt so sorry for a group because they had just finished a battle in every sense of the word and unfortunately were piped at the post and again the team that defeated Mayo in the championship had gone on to win the All Ireland.

#### **James Horan**

Following the All Ireland semi final defeat to Kerry James Horan and his back room team stepped down as our senior management after four gruelling but highly successful years. I suppose James had given this decision a lot of thought during the year but the fact that he announced his decision so soon after that defeat was a little surprising. He owes this county nothing as he has given tremendous service both as a player and manager. I thank James as indeed does the whole county for the four super years that we got as Mayo supporters following this great outfit and the way that the team are now in the top two or three in the country. They have really come a long way from the defeats to Sligo and Longford in 2010. We must also remember and thank all those who served as part of the management team over the past four years .No stone was left unturned in team preparation and it was most unfortunate that we never got over the line. I worked closely with them in recent times and

while all sides will agree that we did not always see eye to eye nevertheless with dialogue no issues were let develop which interfered with team preparation. I wish James and all who worked alongside him during his tenure the very best as they move away from the tough task of managing a senior intercounty team.

### **New Senior Team Management**

Two nominations were received for the vacant senior team management job. The joint proposal of Noel Connolly and Pat Holmes and the other being Kevin McStay. It was great to see that people of such high calibre were interested in taking on such a huge task. Meetings were held with both parties and unfortunately, but for all the right reasons the final decision and announcement was, as has already being described a little clumsy. The whole affair was blown out of all proportions with Mayo grabbing many column inches in both local and national print media. The situation was also making headlines on the national airwaves. Yes it was not handled properly but the way that social media users joined with their comments was very sad and in many cases hurtful. Many of those who commented have no idea what it takes to run the affairs of the County Board and the fact that this is being done by volunteers seems to go unnoticed. The abuse that the chairman and indeed his family had to endure was uncalled for. Members of the executive resigned at that time and this was regrettable because these volunteers had also given great service to this county. Apologies also to Kevin McStay whom I have known and respected for a long time, for having to endure something that was not of his making. The end result was that the names of Noel Connolly and Pat Holmes were put before Mayo County Board for ratification as the new Mayo senior team management where delegates accepted. We wish them well and the rest of their management team that will join them. They are in no doubt as to what lays ahead of them but I know that they will , as those who went before them, give it every ounce of energy in trying to reach the holy grail.

### Hurling

The hurling committee run the hurling competitions in conjunction with the CCC and John Hopkins and Eugene Connolly can be very pleased with their years work. At county level our senior hurlers won the connacht intermediate Final and the Keogh Shield while our Minor Hurlers retained their all Ireland C final with a win over Monaghan in Ballinamore and Tooreen under sixteen team won the Connacht U-16 final just last month. Congratulations to all involved in those victories.

### **County Competitions**

Congratulations to all our league, championship and other cup winners for 2014. Castlebar Mitchells were worthy junior champions, but Achill went on to represent the county at provincial level. They reached the final where they faced the Arran Islands in a novel pairing and one that received massive media coverage in the build up, due to the all Island clash. However the Galway champions were a powerful side and overcame Achill in a tough final. Achill gained some compensation when they won Div 1D of the county league.

Ballyhaunis had a marvellous year and came from nowhere to capture the Intermediate football and senior hurling finals. They reached the Connacht semi final in the football after an excellent victory over the Leitrim champions but came up short when they met an excellent St. Croans team. They were most unfortunate a week later when beaten in the Connacht Intermediate hurling final by two points .Ballintubber are back as senior champions and went on to dismiss the challenge of St. Bridget's in the Connacht semi final and for the first time in the clubs history they had reached a Connacht club senior final. Ballintubber also captured the Div 1A league title and the fact that this year we had more starred games than ever is testament to the strength in depth that Ballintubber posses and well done to them.

The starred games this year were a massive help in the completion of our leagues and even though Div 1C ran later than expected mainly due to Ballyhaunis success the rest of the leagues were finished in reasonable time. All leagues were keenly contested with Div 1E needing a three way play off and 1F needing a play off for promotion. The most disappointing thing in all the leagues was the failure of Westport to field for the last round of their Div 1B game which had a huge bearing on matters at the lower end of that division. Measures will have to be put in place to penalise teams who behave in such a manner in future.

Balla were our U-21 C champions with a great second half display in the final with Belmullet. Great work is going on at underage level in Balla and it was nice to see them emerge again as champions.

### U-21

The team took part in the Hastings Cup for the first time. This is a competition ran by Longford County Board in January. Wins over Longford and Offaly but defeated by a good Cavan team prevented us from reaching the semi-finals. However we reached the shield final where Tipperary beat us by three points. A difficult time of year to get the full squad together as Sigersion and FBD were also running at the same time. Chalanges with Kildare and Tyrone followed and although beaten in both a lot of players were tried.

A victory over Donegal and a defeat to Cavan in two further challenges were the final preparations before we faced Roscommon in the first round of the Connacht Championship in Castlebar on March 12<sup>th</sup>.

This first round of the Connacht Championship game was a huge disappointment for Mayo as they were completely overran by a fine Roscommon side. Although Mayo were missing a number of key players through injury and involvement in Club activity it can be no excuse for this lack lustre display. This was a squad who were in training very early and had the benefit of competition in the Hasting Cup but yet the result was hugely disappointing.

### Junior

A new management team of Sean McLoughlin, John Gilmore, Daire McManamon and Padraig Costello took on the task of preparing a Mayo junior team for the Connacht Championship. This is a not an easy task as all eligible players were not available to them and what was more disappointing was to hear that not all clubs cooperated with the management by releasing players. To play for your county at any level is a great honour and all players and clubs should be delighted and privileged to help out in whatever way possible in making sure the best team represents the county at all times.

The opening game was against Sligo in Tubbercurry and preparation time was only about six weeks. Despite a terrible start where we conceded 2-02 in the opening few minutes, Mayo recovered well and thanks to an Ultan Corrigan goal the gap was down to two points at the break. However it took mayo 14 minutes in the second half to score and were always chasing the game after that. They gave it everything and just came up short by two points in the end. 2-08 to 1-09. It was a pity as I felt that had they survived that game they would have improved greatly but alas it was not to be.

Thanks to the management and the players for a gallant effort in difficult circumstances.

### Kiltane

Kiltane entered 2014 as Connacht Intermediate Champions and face the Cork and Munster Champions Clyde Rovers in the All Ireland semi-final in January in Ballinasloe. A great team performance saw them reach the All Ireland Final with a comfortable win. Great excitement griped the Erris region in the build up to the final in Croke Park on Sun Feb 9<sup>th</sup>. In a trilling and high scoring game, Kiltane were eventually overcome by the Truath Rovers side from Monaghan.Well done to Kiltane Club and team and management for the uplift they gave the county early on in the year.

### **Castlebar Mitchels**

Like Kiltane Mitchels were Connacht Senior Club Champions and had a very long wait for their All Ireland Semi Final. On Feb 15<sup>th</sup> they made the long journey to Portlaoise as underdogs to face a much fancied Dr.Croke's side from Killarney. They matched them stride for stride early on but turned in a masterful display in the closing quarter and finished with a late goal to add to the two already scored and leave them comfortable winners and a place in the All Ireland Club final on St.Patricks day.

They faced an excellent St. Vincent's team in the final and despite a poor start and the loss of Ritchie Feeney early on they rallied well and were very much in the game until the concession of a second half goal turned the game and from there to the end they played second fiddle and were beaten in the finish.

### **Connacht Colleges**

St.Gerald's College contested the Connacht Colleges "A" final against St Attracta's of Tubbercurry while the "B" final saw another Mayo School St. Louis Kiltimagh face Mountbellew .However the Galway side were too strong and St Louis lost out narrowly. St Gerald's made it two in a row in Connacht but were well beaten by the Munster Champions in the All Ireland semi-final in Nenagh.

Our Lady's secondary school Belmullet were crowned Connacht Senior D champions and went all the way to the final where they went to a replay against Crossmoglen after a great battle in the drawn game in Sligo. However they made no mistake in the replay and ran out easy winners. Congratulations to all involved in their team and management and it was great to see Tommy Conroy add further silver to his collection as he captained the victorious team. Indeed congratulations to Daniel Forde and all involved with the Mayo Post Primary Schools for their great work in promoting Gaelic games in the second level schools around the county.

### **New Playing Rules**

From the beginning of the year the Black Card was introduced into our playing rules in Gaelic Football. During the Spring our referees coordinator Willie Feehily along with Sean Mac Eil Seamus Tuohy and Jerome Henry covered all four divisions to brief all managers and club officials on the new rules and many thanks to them for that. However it was disappointing that all clubs did not attend those sessions. It was also disappointing that very few clubs attended the briefing on Insurance matters held in Bekan also during early March.

### **Television Rights**

Great debate surrounded the revelation that the television rights of some of our games were being sold to Sky TV for exclusive live showing. My own view is that the wider the audience that our great games capture- the better. Shortly after that announcement the GAA launched the GAA Go the on line coverage of our games. This makes our games available in many homes around the world and again this can only be good for the promotion of our national games.

### Féile

Connacht hosted the football finals of Féile-Peil na nÓg on the last weekend of June. This was a great feast of football and congratulations to the organising committee chaired by Padraig Carolan along with many fellow Mayo men on his team. Thanks to the many clubs from around the county who hosted teams from around the country and many oversees teams. I hope they had a great experience and I am sure the memories will linger for many years to come.

### **Cairde Mhaigh Eo**

We are really grateful for the continued support of our 1500 or so members of Cairde Mhaigh Eo. This year will see slight changes to the registration of members. All will now be done on line and I hope that this does not inconvenience in any way our existing members. Several have already renewed for 2015 and Michael Cummins has also visited locations around the county to assist members to get up and running for next season.

Thanks also to those who support our draw every year and to the clubs who hosted the individual draws during the year.

### Sponsorship

Thanks to all our sponsors. Elverys continue to be our main sponsors and have further renewed their commitment to Mayo County Board for the next number of years. Trenlaur Catering, Breaffy House Hotel, Smyth's Toys, Eddie Egan Jewellers JJ Burke O'Neill's and Lucozade Sport have all come on board again this year. Many individuals and companies continue to support the Board with their signs around MacHale Park and we are most grateful for their support and to Tommie Goonan for his efforts in ensuring that they do.

### **Sub Committees**

Our sub committees continue to carry out their duties with great efficiency. The CCC again had a testing year in order to make the deadlines especially at intermediate level where our champions were involved in the preliminary round of the Connacht championship in early October. Mike Connolly as chairman guided the fixtures programme from beginning to end and hit all the important targets. Thanks to Mike and the CCC committee for all their work in 2014. Bord na nÓg with Seamus Tuohy as chair and Seán MacÉil as Rúnaí along with their committee had as always a busy but excellent year. Well done to both Seamus and Seán for all the time and effort they put in to ensure that our underage players have plenty of competitive action throughout the season.

The PR group under Aiden McLoughlin keep the public informed on all our activities and are continually updating details especially on match days.

Padraig Carolan as coaching officer along with his committee has come up with many new initiatives during the year. Cúl Camp attendances were again up this year as were all the other courses that were held under the auspices of the Coaching and Games Development brief. Thanks also to Padraig, Mike Connolly and Seamus Tuohy for the additional projects that they took on during the year.

Michael Dan O'Malley continued with his development committee to help all clubs with their Club Plans and grant applications. Michael has completed his five year term and we thank him for all his work and wish him well. Padraic Walsh as Children's officer was always on hand to offer his advice to anyone who sought it.

Thanks to our Connacht Council delegates of Padraig Staunton and Willie Kelly and to Jerry Henry at Central Council. Again both Willie and Jerry have completed their term and many thanks to both gentlemen for all that they have done for this county at provincial and national level.

Our Hearings committee were not idle in the year gone by and thanks to P.J.McGrath and the various others for their time and availability sometimes at short notice for dealing with all the requests placed before them.

The county hosted both All Ireland Scór finals this year. Thanks to Gerry Burke and the team of volunteers who helped in any way with the running of what were two very special events. Thanks also to the many stewards and other volunteers who gave so willingly of their time both in the office at peak times and around the grounds of MacHale Park to ensure the smooth running of all our games and activities for the year. To Phil Heneghan our grounds man for the way that the pitches and dressing rooms are maintained and to Sean Julian and his staff for their courtesy and efficiency at all times.

Our Administrator Michael Cummins and Neil Douglas have kept the office going all year and I would like to personally thank them for their courtesy to me and indeed to all who needed their assistance.

The activities of the county would not be possible but for the cooperation of all the clubs and thanks to all the Club and Divisional officers and club delegates for their help and to John Prenty and the staff of the Connacht Council as well as the staff at Croke Park for their appreciated advice and help to me on various matters during the season.

Thanks to the media both national and local for their continued coverage of all GAA activities across the length and breadth of this vast county.

Thanks also to all our referees, officials, stewards and clubs who throughout the year have helped and co-operated in ensuring that the huge programme of fixtures can be delivered with the minimum of fuss.

### The Future

Next year will see many new officers at county and club level. They face many challenges and will need full support to help them succeed.

We need to revamp our lower league groupings in order that games are competitive to the end and that the leagues will not show any games conceded.

We need to provide training for all new officers and committee members especially our CCC and hearings group where rules and procedures are continually changing.

Great care and attention must be given to Clubs that are under pressure to field teams due to population decline. This will soon be a major problem in rural areas and this fact was raised at the Bord na nOg AGM and statistics are there to prove it.

Another issue that is of huge importance to clubs is the provision of coaching and we must insure that the resources available to us are used wisely and efficiently. Finally I want to wish you all health and happiness for the year ahead, on and off the pitch. Sonas an t-Seisiúir oraibh agus go mbeirimid go léir beo ar an am seo arís le cúnamh Dé

## **Competitions Control Committee Report 2014**

2014 was again a successful year again getting our fixtures concluded within our calendar program, the junior intermediate and senior championships played within the calendar program, also giving the championship winners time to prepare for the Connacht club. The star games were welcome with the success of our senior county team, it helped us give a calendar of football that we could stick with, it also helped us conclude our league games within the calendar program, it also was a success when you look at the winners of division 1 Ballintubber who had 3 county players Castlebar who were runners up with 3 players also, division 2 winners Hollymount/Carramore who had 2 players,

Our club hurling also concluded within the calendar program and while we only have four clubs competing in the senior championship the big issue is dual players that dictate the progress of the championship, if we are to improve our status in inter county hurling we really need to look at our hurling program and the amount of hurling clubs, having only four senior hurling clubs in the county doesn't do well for progress with our senior county hurling team, it is an area that needs to be looked at in 2015.

Every year brings its own difficulties with fixtures and next year will be no different our senior county team quite possibly qualify for league semi-final and final, we could have replays, all those eventualities causes problems for club fixtures, we prepare our club calendar taking into consideration our worst case, we all must accept 10-20% of change in league fixtures, but our championship fixtures must remain as planned.

Our challenges for 2015 will be to conclude our 3 lower league divisions by the end of August as to many games are being conceded, clubs with second teams are having difficulty fielding teams in September with players gone back to college and also trying to conclude the under 21 championship at the same time, our 16 team junior B championship will free up dates for more league games in the lower divisions, the creation of junior c championship will also help.

It will also give the divisional boards an opportunity to conclude their divisional junior championships in September October, it will also help us to conclude our u21 championship.

Discipline still remains an issue where a player boxes another player, referees are subject to abuse from management, County board officials are also subjected to abuse in trying to implementing the sideline rules, this behaviour will not be tolerated, giving the club a fine does not hit at the people that cause the crime, we will have to look at other suspensions to eliminate this abuse.

Sideline rules still remain an issue where some clubs totally ignore them, club delegates will have to play a part in implementing the rules within their own club, making sure that their management teams are aware of them and adhere to them, they also will have to play a part in making sure that our referees are respected at all times. A lot of work goes into recruiting and training referees and we have made a lot of progress in the last number of years in this area, great credit must go to Willie feely in recruiting and training. The one area referees must improve on is reports of matches especially when there is an incident as the detail is very important. Referees must report the incidents as per the rule book. At this point I would like to thank the CCC committee for their time effort and support during the year, Vincent Neary, Aiden McLoughlin, Eugene Connolly Kieran Byrne, Peter Walsh, Mick Herr, Cathy Carney, Seamus Tuohy, I would also like to thank Willie Feely the referee coordinator for all his work in recruiting and training of referees during 2014. I also would like to thank the McHale park staff for their work and support, Phil Heneghan who has McHale Park in top condition for all our finals, Michael Cummins and Neil Douglas for all their administration support during the year, Gerry Burke for all his organising of stewards for all our games in McHale park. I also want to thank all the clubs for their support and co-operation during the year, as a CCC committee I would like to think we were fair to all clubs during the year; I would also like to thank the referees for their support during the year and sometimes at short notice. Finally to all clubs and club members I want to wish you all a very happy Christmas and a successful 2015.

## PR Committee Report 2014

As the dust settles on what was one of the most exciting GAA seasons in recent memory, 2014 will also be remembered as the year where more fans globally got to see our games with Sky Sports getting in on the Television Rights. With more fans working abroad, social media has allowed them to show their support wherever they are.

GAA fans are a vocal bunch so it provides them with the perfect platform to highlight their views, speculate on who will start and offer their analysis. Also, it gives counties the opportunity to reach out to their fans, something that a lot of sports teams and clubs have been doing recently as so many of them are online. This number is growing year after year.

While we may have suffered heartbreak during the All-Ireland Semi-Final, Mayo can take comfort in the fact that we have one of the best Facebook and Twitter pages in the country, boasting an impressive engagement rate across both platforms.

It topped this during All-Ireland semi-final week, when this figure reached 22,000, showing just how excited Mayo fans were during the build up to the game.

At the moment Mayo G.A.A. have over 32,140 followers on our official Facebook Page and we have over 23,410 followers on our official Twitter page so with the figures combined makes us one of the most followed counties in the country. We can be found on Facebook: <a href="http://www.facebook.com/OfficialMayoGAA">www.facebook.com/OfficialMayoGAA</a> and you can follow us on Twitter at: @MayoGAA

I would like to thank all the people who helped throughout the year far too many to mention here. To all the local and national media who are always a pleasure to work with; unfortunately a small minority have other agendas and sometimes seem to forget that all the people in this amateur organisation are volunteers who give so much of their time for no pay; something that seems to have got lost in translation along the way. To all the clubs in Mayo who are always willing to help and cooperate. James Rock, Des McGowan and Castlebar Mitchels members for their help during the year. In particular I would like to thank the hard working PR Committee of: Paul Cunnane, Alan Prendergast, Tom Reynolds, Darren Heneghan, and Brendan Geraghty without whom a lot of this would not be possible.

Aiden McLoughlin - PRO Mayo G.A.A.

### Bord na nOg Report 2014

2014 was a year of some surprise results in matches, the biggest was the defeat of the Dubs. In the All-Ireland semi-final. There were a number of good games chief among them was Mayo's draw and replay with Kerry in the All-Ireland semi-final. If we corrected the glaring weakness that was evident in the team in the drawn game, I feel certain we would be back in Croke Park on the third Sunday in September. Our minor team did us proud, retaining the Connacht title and losing out to Kerry, the eventual All Ireland champions, in the All-Ireland semi-final.

The Bord na nOg committee, organised league and championship matches from under12 up to and including Minor. Great credit must go to the clubs, the coaches, and the players for all the excitement and enjoyment they gave us during the year. Unfortunately we had a few incidents of indiscipline that brought shame to all concerned. I witnessed two brawls at two Minor games that reflected poorly on the clubs. Players and mentors should show greater respect especially at under age games. We must put a stop to unruly behaviour. I urge the CCC to do whatever is necessary to stamp out this type of thuggery. It gives our Association a bad name and it detracts from the many wonderful games that were played in a sporting and manly manner. Congratulations to everyone in the promotion of our games. I pay tribute to the many volunteers who coach and train and fund raise through the year. Some clubs are finding it difficult to field teams especially at under 16, and under18. I would think that all clubs are finding it difficult to stay financially afloat. We will have to find new ways of raising money at county board in order to relieve some of the pressure on clubs.

#### Minor Football;

This year we played all rounds of the minor league as well as semi-finals and finals before the break for the state exams in June. In previous years the league finals dragged on till October and beyond. Thanks to your cooperation the schedule we had this year was far more satisfactory.

A concern was raised with me during the year about the type of training and the intensity of the training that our County minor players and our under 17 development players were doing. It would be a major concern if the training and the physical demands on these young lads was too much. I hope that all the people in charge of these young players are following best practices and are taking on board the best medical advice available.

38 teams played in the main league and 31 teams participated in the summer leagues. Eight clubs won league or championship titles. It was a memorable year for Moy Davitts winning the Division one league and the minor a title for the first time. Westport won the minor B championship defeating a gallant Cill Chomain team. Well done to all concerned. Division 2, 3, and 4 leagues were won by Kiltimagh, Ballina and Cill Chomain respectively. In our summer leagues there were wins for Carras, Burishoole, and Shrule-Glencorrib.

I mentioned earlier that some clubs are finding it difficult to field teams at Minor. I urge clubs to take stock now and let the committee know what the situation is in January. Between now and the end of January our committee will meet four or five times preparing for next year. All we want from clubs is accurate information. We may be able to offer some help and advice. One of our main concerns is that as many young players as possible are getting regular football. Clubs should put in place the structures and personnel in their clubs that will ensure this is the case.

#### U16.

This championship was one of the most competitive and exciting we had this year. Our committee was delighted at how competitive and closely matched were all the finals. The semi-finals were close games

so it seems we got the match ups right. The best game I saw this year was the division 1 league final between Westport and Castlebar. It ended in a draw. It had everything one could ask for in a football match, terrific scores, great skill, teamwork and some excellent individual players. Castlebar won the replay and the division one title. Claremorris won the division two title, and Charlestown and Kilmeena won division three and four leagues.

In the championship one final Aghamore upset the favourites Castlebar and won a great game with a last minute goal. The championship two final was an all north mayo one with Cill Chomain overcoming Crossmolina by two points. The championship three final was a draw after extra time. In the replay Bonniconlon took the honours with a three point win over Kilmeena. Burrishoole had four points to spare over Achill in the division four final.

In this championship 82 games were scheduled and 10 of these games were walk overs. Two clubs had problems fielding a team and they accounted for most of the games that were not played. On two occasions teams travelled and the opposition were unable to field and as a result as many as twenty or twenty five young lads had no football on that evening. We have to continue to ensure that this will not reoccur next year.

### U 14.

One team dominated this age group, Westport. As they say they were a country mile ahead of all they played. They won division one of the league and the Championship one. There B team won championship 4. Other clubs that had success in the league were Beal an Mhuirthead, Charlestown, Erris St.Pats, and Claremorris B in divisions 2, 3, 4, 5, respectively.

In the championship Westport were the runaway winners in championship 1. Carras, Ballyhaunis, Westport 'B' and Cill Chomain were winners in championships, 2, 3, 4, and 5.

There were 76 scheduled games in the u14 championship, and 8 games were not played. Four of the unplayed games were in division 5. Three of the eight teams in this division were B teams, but some of the other clubs gave walk overs and this is worrying. If three or four of these clubs had problems fielding at this age it's very unlikely they will be able to field at u16 and minor. It's imperative that they do a head count and see what the future holds.

### U13, 15.

Forty five teams took part in the u13 league. There were 106 fixtures and 12 of them were not played. Two clubs had problems with numbers again this is very worrying going forward. Castlebar, Beal an Mhuirthead, and Kilmeena were the winners of divisions 1, 2, and 3. I'm delighted Beal an Mhuirthead are back to winning ways. They have a very hard working committee and the fruits of their hard work was evident this year. Every club has to work hard at coaching and developing young players in their parish. Young people are very discerning. If the set up in the club is not right the youth will turn to other codes. A county committee like Bord na nOg has also got to work hard at ensuring that the games are well organised and as far as possible competitive. Discipline and respect are very important. I'm writing this as our u15 leagues come to an end. Westport had more success in this league winning division 1. They had a hard fought win over Beal an Mhuirthead in the final. Breaffy had a good win over Kilmeena in the Division 2 final and in a very exciting division 3 final Castlebar had to give way to Crossmolina who had one point to spare at the end. The one remaining final is the divisional cup and that will be finished by the end of November.

We played 37 finals, in leagues and championships. Most of our finals were played in MacHale Park, and I can honestly say that for the most part they were very enjoyable. A very big thank you to Phil Heneghan who always had MacHale Park in tip top shape. You would find it hard to find a nicer gentleman in any

walk of life than our Phil. James Rocke prepared all the programmes for our finals, and I thank him. Dougie and Michael in the office were most helpful and as a result I feel confident in saying that the presentation of the finals was very satisfactory. MacHale Park is a great facility if only we could get some relief on the crippling debt.

Paddy Mc Nicholas retires at the end of this year as county chairman. He has given great service to the clubs and the Association in Mayo. I served with him for five years when he was chairman of Bord Na nOg. He was always hard working fair and impeccably honest. He made my job very easy. During his four years as County chairman our senior team have won four Connacht titles and were beaten in two All-Ireland finals. You could say he has done the County some service. I wish him well and hope he continues to play a role in our Association.

I really enjoyed working alongside the chairman Seamus. He is another example of someone doing great work for the GAA. He is also heading up the Health and Well Being committee and we hope that every club will have an officer that will help in the work of this important committee. He was also the liaison officer to the County minor team and he also found time to ring me every day and keep me on my toes!!!.

I also want to pay tribute and say well done to all the teachers in our National and Secondary schools for promoting our games. They are doing Trojan work in this regard and I would urge the incoming Chairman to meet the schools committee and see what help we can give them. Rugby is sending coaches into a number of our schools promoting their game. We will have to ensure that we have our coaches going to the schools and assisting the teachers. This may involve more spending on coaching but I think it would be money well spent.

I'm not too familiar with hurling but I know Adrian Hession and his committee are doing great work promoting the game. All his fixtures are completed and well done to all the winners. The Minor team won the All Ireland final a considerable achievement, and well done to all who were involved. Billy Mc Nicholas, Padraig Carolan, and Eugene Lavin had another busy year in coaching. The success of our County minor teams is testament to the work of the coaching committee, as is the excellent numbers that are attending our Cul Camps. Padraig was chairman of the Feile committee that hosted a very successful National Feile in Ballyhaunis this year.

I would also like to thank the Bord Na Nog committee for their help in organising and running all our under age games. It's great to work alongside a group of people whose sole concern is trying to improve our under age structure.

Thanks to all the media for the excellent coverage they give our games. I can't forget Michael our resident photographer in Mac Hale Park, for his coverage of all our finals. Finally to all the clubs, thanks for your courtesy and cooperation. We must continue to work hard at promoting the GAA. It's true to say that it is part of what we are, warts and all. We have to continue to work together to ensure that our games and our Association continues to attract our youth. We must also be mindful of the many small clubs we have and try to offer any help we can, so that they can continue to play a part in the GAA. Continued success to you all and the very best for 2015.

### "Mayo Health and Well Being Committee Annual Report:"

### Membership of Mayo Health and Well Being Committee:

Seamus Tuohy Chairperson, Sean Maceil Secretary, Dermot Butler North Divisional Board ,Mary Coen and JJ Costello South Divisional Board, Michael Gavin West Divisional Board, Paraic Walsh Children's Officer, Michael Gavin West Divisional Board and Niall Dunne Mental Health Development Officer (Mayo and Roscommon)

A motion was passed at the GAA Annual Congress in Derry in 2013 put in rule the requirement for every county board to appoint a Health & Wellbeing sub-committee.

Those committees are presently being established across the 32 counties and are tasked with assisting the county board and the county's clubs in identifying and responding to the health and wellbeing needs of their members. This will involve promoting existing GAA health-related programmes such as the Alcohol and Substance Abuse Prevention (ASAP) programme, the GAA Social Initiative, the RESPECT Initiative etc.

It will also involve signposting to and partnering with relevant national and local agencies who can provide services that may be of use to our members. For example, the GAA has recently announced Samaritans as its mental health partners and posters promoting their 24-hour 365 days-a-year helpline will be issued to all clubs .

To better link this important work with the great efforts being made at grassroots level, Coiste Bainistí has recommended that all clubs appoint a Health & Wellbeing Officer. This will replace the existing role of the ASAP Officer and is intended to better reflect the broad nature of health promoting work clubs already engage in.

We appeal to all clubs coming up to AGM's that if they have not already a Health and Well Being Officer in place , we request each club to give it full consideration.

This person will act as the link with their County Health & Wellbeing Committee and will be the point of contact within the club for any relevant promotions or activities. They will not be expected to be a 'counsellor' for the club, but an interest in the area of health and have a willingness to drive this agenda in their club.

They will have the support of the Mayo committee and the newly formed National Health & Wellbeing Committee  $^{\rm I}$ 

One of our first initiatives was to propose to the County Board Meeting that Mayo GAA bans ecigarettes from Smoke-Free Campuses from July 1<sup>st</sup> 2014 in all GAA facilities in the County. From this date, the use of e-cigarettes will not be permitted in any Mayo GAA building or on any GAA Tobacco-Free Campus.

### Other Projects we are working on includes:

1. A poster which we are currently working on, this poster will display a number of support services throughout this County. It is planned that those posters will be displayed in every GAA club house in Mayo. We hope to have this completed before end of December 2014.

- "Safe Talk training" training, this training involves learning basic steps in recognizing persons with thoughts of suicide and connect them with suicide helping resources. We are in the process of organising 2 safe TALK workshops in the New Year, in Castlebar (21 January 2015) and Ballyhaunis or Claremorris (28 January 2015)
- 3. Promoting the "RESPECT Initiative". This will be part of our games in 2015 and we will be working with clubs in maximizing the success of this project.
- 4. Mayo Health and Well Being Launch Night, the committee is actively working on this at the moment and details will be forwarded to all clubs as soon as possible.
- 5. We also like to welcome a new Health and Well Being Initiative launched by the County Board on Saturday night last 8<sup>th</sup> November 2014, "Player welfare" lead by Dr Sean Moffat and Mr Liam Moffat. Emphasis here will be on player welfare, injury surveillance, prevention protocols, age appropriate conditioning and training loads and Management of sports concussion. This will be an invaluable resource to our inter county squads initially and ultimately feeding into our clubs.

### 3 Tips for us all in keeping positive,

### "Take time for your self":

Allow yourself time to do things you enjoy. Set aside time for your self and stick to it. You will find it will help you and others will respect that .Every day make sure to give yourself a treat and enjoy!

### "Be active every day in as many ways as you can"

Regular exercise can really help to feel more positive and it will also give your mental health a boast. A small amount can make a difference,

### "Get some fresh air,"

Getting outside for as little as 15 minutes every day to breathe fresh air and experience your surroundings can relieve stress; give you a clear mind and a positive attitude. Aim to cut your television viewing by half!

## **Coaching Report 2014**

As 2014 draws to a close it was another busy and successful year from a coaching perspective in Mayo.

Connacht success for Mayo minor footballers, followed by good performances in the All Ireland quarter final and semi-final, was followed by another All Ireland success for our minor hurlers for the second year in a row.

Ted Webb plate success, a Connacht Colleges A title for St Gerald's and an All-Ireland victory for Our Lady's Belmullet were key achievements.

Research taken prior to the launch of our Friday Night Football initiative shows that just over 50% of young people between the ages of 6 and 18 regularly participate in underage football and hurling. We must as clubs, schools and as a county in general continue to support this cohort of young people in whatever way we can so that they continue to play and enjoy our games.

#### Secondary Schools Report

Fixtures:

For the school year 2013/14 there was a complete overhaul of fixtures at Mayo Post Primary level. We moved away from a system of 8 competitions to 16 which now provides realistic opportunities for all schools to achieve success. This has increased the number of matches played at Mayo level to 74, over 4 age groups and at 4 levels. These are played during the start of the school year in September and October and are first competitions played by all schools. It gives competitive matches to all schools which prepares them well for Connacht Leagues and Championships which take place later on in the year. Congratulations to all our winners from the past year (2013/2014).

They are as follows:

Competition	Winner
1st Year A	Rice College Westport
1st Year B	Gortnor Abbey Crossmolina
1st Year C	St. Joseph's Charlestown
1st Year D	Sancta Maria Louisbugh
O'Haire A	St. Colman's Claremorris
O'Haire B	Ballinrobe Community School
O'Haire C	Gortnor Abbey Crossmolina
O'Haire D	St. Tiernan's Crossmolina

Colleran A	Rice College Westport
Colleran B	Ballyhaunis Community School
Colleran C	Sancta Maria Louisbugh
Flanagan Cup A	St Geralds Castlebar
Flanagan Cup B	St. Louis Kiltimagh
Flanagan Cup C	Our Lady's Belmullet
Flanagan Cup D	Colaiste Acla
Senior Hurling Championship	St. Geralds Castlebar
Junior Hurling Championship	Ballyhaunis Community School

We also have competitions at senior and junior level for the 1st time in Hurling. These were won by St. Gerald's Castlebar and Ballyhaunis Community School respectively.

We aimed to improve our level of Public Relations hugely over the last year. At the moment we have a Twitter account which gives up to date information on fixtures and results from both Mayo and Connacht competitions. In conjunction with The Western People we have begun a Transition Year Sports Reporter Programme which gives budding journalists the opportunity to compose match reports and to have their work published. It has proved to be a very successful programme with over 40 students around Mayo taking part and keeping us all informed with GAA activity in all schools. Thank you to all media outlets in Mayo for providing such excellent coverage of our Colleges matches.

Well done to St. Gerald's College, Castlebar and Our Lady's College, Belmullet who won the Senior A and D Connacht Championships respectively. Our Lady's Belmullet went on to claim the All-Ireland D with a great win over Crossmaglen. St. Gerald's unfortunately lost out at the Semi-Final stage to eventual winners Pobalscoil Chorcha Dhuibhne, Dingle who boasted 9 members of the All-Ireland winning Kerry Minor team. Well done to all schools who participated in both Connacht and All-Ireland Competitions.

#### Cumann na mBunscol Report

2013/14 was as busy as ever but ran remarkably smoothly mainly due to the brilliant teachers throughout Mayo who organise everything so well and efficiently without any fanfare.

Our Sports Quiz, held in January, produced a high standard of questions as always and our thanks to everyone who helped.

Our handball competition took place in January with winners going on to compete at Connacht and national level.

Mini 7s for boys and girls took place around the county during late autumn with county semi finals and finals taking place in the Connacht Centre of Excellence in Bekan.

Our divisional football competitions also ran at local level throughout our 9 areas before culminating in our county semi-finals which were held on the back pitches in McHale Park, followed by finals on the main pitch.

We are very grateful to the Co Board for allowing these games to take place on our county ground.

Our hurling and camogie participation levels continue to grow and thrive. There are now 36 schools taking part in hurling and 12 in camogie. Mini 7's hurling and camogie finals were held in Bekan in April and the divisional finals were held in Claremorris in June.

We ran hurling and football exhibitions during the NFL and NHL again this year. Thanks to Mayo GAA and Croke Park for facilitating this. We also fielded a number of teams during the summer for the Connacht Championship Exhibitions. Our thanks as always to Connacht Council and Mayo GAA for making this happen.

We are greatly indebted to the teachers up and down the county who volunteer their time, energies and enthusiasm to the promotion of gaelic games in our 174 schools. Also, the running of our games and exhibitions in their current format would not be possible without the tremendous support of Mayo coaching and games staff.

### **Coach Education**

The following courses were conducted in 2014:

- Foundation Football 10
- Foundation Hurling 2
- Award 1 Youth Football 1
- Award 1 Youth Hurling 1
- Award 1 Adult Football 1
- Award 1 Adult Hurling 1

In excess of 500 people participated in the above. Further to this a Primary Teacher training course took place in McHale Park in July – this is a 3 day practical course along with an on-line element. The course was fully booked with 25 teachers participating.

From 2016 it is mandatory that all coaches involved with underage teams have as a minimum completed a foundation course and one member of each underage management team must have completed an award one programme.

#### Under 12 Skills Test / Play and Stay

The play and stay days were held in Croke Park with a number of Mayo clubs involved. The trip included a blitz on Croke Park and a stadium tour.

Almost thirty Mayo clubs participated in the skills tests. Initially Mayo coaches held a skills workshop and following this, competitions were held at divisional level with the four winners proceeding to the provincial finals where all of them performed well.

#### **Primary Schools Coaching Programme**

Our Primary schools coaching programme took place over a ten week period prior to the summer holidays and a six week period after the holidays in approx 130 of our 174 schools. We hope to be in a position to extend this to all schools in the near future.

### Cul Camps

Once again we had a large increase in numbers attending our 39 football and 2 hurling camps in 2014, with a total of 3,964 young people registering.

This equates to 1 in every 3.9 young people in that cohort in Mayo.

### **Football Academies**

Under 14 4 divisional squads of 25 selected These 4 squads participated in the Sean Purcell blitz and performed well. Outside of the divisional trials there were 12 sessions held, comprising of skills testing, diet and nutrition, tackling and team play.

Under 15 2 squads involved (East / West and North / South) 16 sessions conducted with 2 blitzes. Again both teams performed very well. Both squads are now on a winter programme of skill work and flexibility with fundamental movement.

#### Under 16

2 squads involved (East / West and North / South) East / West won the Ted Web plate while North / South were the defeated finalists. These panels are now on a winter strength and conditioning programme.

#### Under 17

This team defeated Sligo and Roscommon in the Connacht league and drew with Leitrim – the full panel of players were utilised in this competition.

They are now participating in the County Cup competition.

Under 18 Connacht champions and All-Ireland semi-finalists

Under 20

This panel has now been screened and have been put on a strength and conditioning programme.

# Goal to Work

Mayo GAA participated in the Swinford programme in 2014 and a number of coaches were trained as part of this course.

# Mental Health Initiative

This programme was carried out over the Easter week in McHale Park with our Ted Web panels and our under 16 hurling squad.

The programme was kindly sponsored by the Mayo Mental Health Association and received very positive feedback.

It involved field sessions, mental health workshops, diabetes lecture, diet and nutrition education, drugs awareness programme and it is hoped to repeat same in 2015

# Friday Night Football

From research we carried out, we found that many young players do not participate in any form of gaelic football or hurling training from the months October to March.

With this in mind, we launched an initiative in September entitled 'Friday Night Football' to encourage clubs to continue coaching 8 - 12 year olds during the winter months, either in indoor facilities or on astro-turf pitches with a focus on skill development.

To date a number of clubs have participated.

# Feile Peil

The Feile Peil national competition was held in Connacht in 2014.

184 teams took part over a three day period on the weekend of June 27/28/29 with the finals held in Bekan.

Over the 3 day period 462 matches were played.

Over 20 Mayo clubs participated and thereby hosted clubs for the event.

Feedback was very positive in terms of organisation and it is estimated that the economic boost to the region equated to circa €3m.

#### <u>Website</u>

Our coaching website is now up and running. Further improvements and additions will be made in 2015 Sincere thanks to Alan Prendergast of the Mayo Gaels club for his help with this.

#### **Conclusion**

In 2014 new initiatives including our Mental Health week for under 16 inter-county teams, the development of our website, a skills development session with under 12 coaches around the county and the launch of our Friday Night football initiative were set in motion.

In 2015 we hope to be in a position to increase our resources and therefore support the outstanding 40 primary schools that are not currently included in our coaching programme, we also hope to be in a position to support cub coaches further by way of mentoring and further education around skills development.

Our coach education programme for 2015 is now available on our website and we would ask clubs to encourage new coaches to attend.

In early 2015 the Mayo senior team coach (Donie Buckley) will conduct a session for all underage club coaches having conducted same for teachers last month.

Finally, I would like to especially thank our hard working coaching team and also the many club and school coaches for their dedication and support throughout 2014.

Padraic Carolan

**Coaching Officer** 

# Mayo GAA Hurling Report 2014

# Senior Intercounty

Christy Phillips continued as Manager of the team and Austin Kenny continued on as selector. Leo O'Connor former Limerick Hurler joined the Management Team as coach.

# Keogh Cup

We participated in Keogh Cup (Leinster Competition) and the intercounty action began with an away match versus Wicklow in Bray. While we were defeated in this match we continued in the Keogh Shield for first round losers. We travelled to Dublin on the 26<sup>th</sup> January and defeated St Patricks College and travelled again on the 2<sup>nd</sup> February and defected D.C.U. in the semi-final. The final versus Queens University was played on the 3<sup>rd</sup> February in Darver, Co. Louth. We ran out 1-17 to 0-15 winners. This was the first piece of silverware won by our Senior team for some years.

 In 2015 we will be participating in a Connaught League involving Mayo Roscommon, Sligo Leitrim and Third Level teams in the province. Thanks to Connacht Council for reviving the competition after a number of years.

# National League

We opened our 2B League campaign against Fingal on the 16<sup>th</sup> February 2014. This game was played in the Connacht Centre, Bekan. In a close game Mayo came out on top by a one point margin. Next up was an away game against Meath on the 23<sup>rd</sup> February with Meath winning 0-12 to 0-7. In Round 3 we travelled to Newry to take on Down. Despite a great second half display Down held out to win by 0-17 to 0-13.

Wicklow came to McHale Park on the 16<sup>th</sup> March in Round 4. Against a physically stronger Wicklow team Mayo struggled for long periods and were defected 0-15 to 0-9.

Our final League game was away against Armagh on the 23<sup>rd</sup> March. Knowing that we had to win to retain our division status the team responded and won by 1-19 to 1-11 thus retaining 2B status.

# Christy Ring Cup

Despite mixed league results the management team were confident of a good run in this competition. Armagh came to Elverys McHale Park for a first round meeting on the 3<sup>rd</sup> May. Always tough opponents Armagh fought hard but Mayo came out on top 0-20 to 1-14. We were rewarded with a home draw against Meath the following week 10<sup>th</sup> May. After an excellent game Meath won by one point from a controversial late free. 0-16 to 0-15.

We were drawn against Wicklow in the quarter final in Arklow on the 24<sup>th</sup> May and our record against Wicklow has been poor in recent years and they had already defeated us in the league. However on the day the team produced a superb performance to win 1-15 to 0-14.

We were drawn against Kerry in the semi-final and the game was played in Elverys McHale Park on the 1<sup>st</sup> June. A huge crowd attended the match and a great atmosphere prevailed. Mayo started slowly and Kerry had built up a substantial lead of 18 points by half time. However Mayo responded superbly in the second half and held Kerry scoreless for 20 minutes. However time ran out on our efforts and in the end we lost by 7 points but with our reputation and confidence restored.

# **Connacht Intermediate Final**

The game versus Roscommon was played on Sunday 8<sup>th</sup> June in Hyde Park, Roscommon before the Connacht Football game meeting of Roscommon and Mayo. The spectators who came early were treated to a great game of Hurling. After a closely fought game Mayo's fitness was the difference and late scores gave us a 2-12 to 1-11 victory. This was Mayo's first victory in this competition.

Congratulation to David Kenny and Ciaran Charlton who were honoured on the Christy Ring All Star Team for 2014.

Dual Player Keith Higgins who received his 3<sup>rd</sup> All Star Football award.

Donal O'Brien (Ballyhaunis) who won the Connacht Puc Fada competition.

Overall this was a great year for the county team. Congratulations to all the players who put in a huge effort during the year and the Management team – Christy Phillips, Leo O'Connor, Austin Kenny, Michael Moran and Karen Lacey (Physio). Leo O'Connor stepped down from the Management Team in September when he was appointed manager of the Limerick Hurling Team. We wish him well in his new position and thank him for his contribution to Mayo Hurling in 2014.

# U21 Team

Brian Finn was appointed Manager and was assisted by John Regan and Nicholas Frayne. They put together a comprehensive training programme. Unfortunately a number of eligible players were not available as they had emigrated for the summer months.

In the Connacht B championship after a comprehensive win over Sligo in Elverys McHale Park we played Roscommon in Athleague in the Connacht Final. Against a physically stronger Roscommon team Mayo lost by 14 points.

# <u>Minor</u>

Brian Finn was appointed Manager and was assisted by John Regan and Nicholas Frayne. After winning the All-Ireland C Final in 2013 the pressure was on to reach the final in 2014. The panel and Management team put in a huge amount of effort to emulate the team of 2013. After winning semi-final blitz the team would play Monaghan in the All-Ireland C Final in Ballinamore, Co. Leitrim on the 6<sup>th</sup> September. Mayo held a 6 point advantage at half time but had to withstand a strong Monaghan comeback in the second half to win by 2-11 to 1-10. A great achievement to win two All Irelands in a row. Congratulations to all the players and Management. The team received further recognition when they received the Young People of the Year Award at the Mayo People of the Year Awards on the 15<sup>th</sup> November in Breaffy House Resort.

# **Club Competitions.**

Senior Hurling (Tyrell Cup). Hurling's top duo met again in the County Final played on the 12<sup>th</sup> October in Tooreen. Thanks to the Tooreen Club for having their pitch in such wonderful condition. The game was played in front of the biggest crowd seen at a hurling final with Ballyhaunis winning by 1-12 to 1-10. Ballyhaunis reached the Connacht Intermediate Final but were defeated by Cappataggle, Galway. Thanks to Mid West Radio who covered the County Final live for the first time.

# Senior League(Genfit Cup).

Tooreen defeated Ballyhaunis in the Final played in Tooreen. This competition was confined to players not on the Christy Ring panel.

Unfortunately Ballina and Belmullet are not fielding teams at Senior/Junior level. There are now only four teams competing at Senior Level – Ballyhaunis, Tooreen, Castlebar Mitchels Hurling Club, Westport.

# **Connacht Tain League**

2014 was the second year of the competition. The games are played in January-March and gives clubs early season games against clubs from the Connacht counties. Teams from Longford also participate. In 2014 four Mayo teams participated – Ballyhaunis, Tooreen, Westport and Castlebar.

# <u>U21</u>

Four teams competed in this competition. The A and B Finals were held on the 21<sup>st</sup> July in Elverys McHale Park. Ballyhaunis defeated Castlebar Mitchels Hurling in the A Final and Tooreen defeated Ballyvary in the B Final.

#### <u>Minor</u>

Castlebar were the team of the year at minor level winning the A Championship and League. Ballyvary won the B Championship with Tooreen winning the B League Final

#### <u>U16</u>

Congratulations to Tooreen who won the A Championship and League. They also went on to win the Connacht Title at this level when they defeated Ahascragh/Fohenagh (Galway) in the Final on the 15<sup>th</sup> November.

Cashel Gaels won the B Championship and Westport the B League Final.

# <u>U14</u>

A great year for Westport who won the Feile A Final and Championship A Final. The Club have a great underage coaching structure in place and are now reaping the rewards. Ballyhaunis won the B Feile Competition and Cashel Gaels won the B Championship Final.

# **Development Report 2014.**

As I write my fifth and final report, one sentence would sum up my five years on board. A lot done but more to do.

Ireland is just out of a serious recession and this has reflected on clubs around the county. There has not been as much development work with pitches, club houses, club grounds etc. in the latter few years. However of recent times there has been an increase in activity in relation to astro-turf pitches and club houses which is on-going.

At county level, Mayo could not avoid it either with a long term lease on McHale Park and an excellent new stand and press facilities, changing rooms, kitchens, meeting rooms and offices being built. We found ourselves in financial difficulty, which made sponsorship much harder to get as businesses were struggling to survive themselves.

Thankfully the setting up of 'Cairde Mhaigh Eo' along with the continued support at all Mayo clubs and a great run by Mayo Teams in the last four championship campaigns. We have weathered the storm and are now more secure going forward.

#### **Strategic Plan**

Mayo County Board completed a Strategic, Vision and Actions Plan for years 2012-2017. This is a plan that had to be drawn up by every county. It gives a clear road map of actions and vision over the five years in different categories. 1.

- Games Development
- 2.Theme, Game Schedule
- 3. Volunteers and Officer Support
- 4. Inclusion and Integration
- 5. Planning
- 6.Communication

Currently we are in year two of this plan.

Also, all clubs are required to draw up a club plan of their own. Clubs have received information packs on how to do so. Slowly but surely clubs are getting around to the task. Any club in search of grants or loans from Connacht Council or Croke Park this is one of the first questions asked, do they have a club plan in place? I urge all remaining clubs to go ahead in completing one.

# **Club Audit**

Last year, all Mayo clubs were audited. Generally, clubs are in good shape county-wide. A few safety issues in some clubs need to address.

# **Officer Training**

There was officer training carried out every second year for officers especially new officers. I would also like to include, I hope they found it beneficial.

# **Club of the Year**

This is a competition held annually. Over the course of my five years different clubs, senior down to junior, big and small have won this title and gone on to represent Mayo in the Connacht Club of the Year Competition. 2010-Ballyhaunis, 2011-Garrymore, 2012-Moygownagh, 2013-Moy Davitts and this year Kilmeena a Junior Club who have not had great success on the field of play due to emigration but have now turned the corner at underage level and ladies football. They take great pride in their excellent club

house, dressing rooms, pitch, stand and car park. All in good shape I would like to congratulate them on their win.

I want to thank my fellow Development Committee members over the last five years for their help and support. My facilitators committee also, ably led by Luke Fitzmaurice. To my fellow officers, I have thoroughly enjoyed my time working with you it has been great experience. You deserve lots of credit for all the voluntary work you do for the love of Mayo GAA.

Yours sincerely, Michael Dan O'Malley Development Officer 2010-2014.

# Scór na nÓg:

The season got underway with the Scór na nÓg competitions. The standard was quite high throughout the county and it culminated in a very entertaining County Final which was held in Breaffy GAA club house on Saturday, January 11<sup>th</sup>.

The **Connaught Scór na nÓg** final was staged again this year in the Royal Theatre, Castlebar. Mayo's only winner in this year's Connacht Scór na nÓg was Louise Ní Gábháin, Castlebar Mitchels, in the solo singing category.

We had the honour this year of hosting the **All-Ireland Scór na nÓg** on the 1<sup>st</sup> of March in the T.F. Royal Theatre, Castlebar, with the GMIT hosting the quiz. The overall competition was a huge success, and while our sole competitor, Louise Ní Gabháin competed superbly she just fell short on the day and I have no doubt she will be back again.

**Scór na bPáistí:** Scór na bPáistí still has the highest entry of all three competitions and was held on the 5<sup>th</sup> of April. Its success, however, may be having an impact in the participation in Scór na nÓg. I would like to compliment the teachers, parents and mentors for all the time they invest in preparing competitors for what was a county final of the highest standard.

**Scór Sinsir:** Scór Sinsir took place on the 8<sup>th</sup> of March in Breaffy and again was behind in the amount of competitors competing. Nonetheless is was an entertaining county final, with Breaffy, Castlebar, Aghamore, Kilfian, Claremorris and Shrule Glencorrib all competing on the day.

The **Connacht Final** was held in Tubbercurry, Co. Sligo on the 22<sup>nd</sup> of March. Unfortunately, luck seem to evade us on that day, with Leitrim winning 5 titles, Sligo winning 2 and 1 for Galway.

**Adjudication:** I want to take this opportunity to thank all those who make their services available to us as adjudicators. Everyone will agree that they do a superb job and while we all may have our own personal opinions, we are very fortunate to have such a panel of expertise that we can call upon.

**Stewards:** I want to thank all those who turn up to steward at the various Scór events and also the All-Ireland Scór na nÓg and Scór Sinsir competitions which we had the honour of hosting. It is still great to see that so many people give freely of their services.

A special work of thanks to the Breaffy GAA club for hosting the three county finals this year, the various MCs, caterers and all those who contributed in any way to the success of Scór in the county over the past year.

I wish to pay a special tribute to our Cathaoirleach, Gerry Bourke, for his help, advice and hard work in the organising of the various Scór competitions and the organisation of stewards for the All-Ireland Scór competitions. Unfortunately for reasons not relating to Scór, Gerry resigned as Chairman of Coiste Scór Mhaigheo, which was an upsetting end for everyone involved in Scór

Mhaigheo, as Gerry has been a huge driving force behind keep the Scór competiions alive here in Mayo. I would like to take this opportunity to wish Gerry all the best in his future endeavours. Gerry will always be hugely appreciated within the circles of Scór for his tireless work and huge dedication.

In conclusion, I wish to pay tribute on a personal level to everyone who has helped me in carrying out my duties over the past year in my first year as secretary of Coiste Scór Mhaigheo.

Neil Ó Dubhghlais
